export const visionContent = `Hon. Dr. Ghali Mustapha Tijjani's vision for Albasu, Gaya and Ajingi is rooted in transparent service delivery, youth empowerment, quality education, clean water and lasting infrastructure.

From over 1,500 solar street lights and multiple industrial solar boreholes to classroom blocks, hospital construction, farm support and hundreds of empowerment tools, the first term has delivered measurable results. The next term (2027–2031) will focus on completing every ongoing project and scaling impact.

One Constituency, Forward Together.`;
```

Major Corrections from the Full Scorecard

Item	Old (Impact)	New (Scorecard)
Solar Street Lights	620+	**Over 1,500**
